A little room to read.

A field guide to slower reading

FlipBookReader / Original sample

Four pages. A few quiet minutes.

Begin with one page. Make a little space.

Close a tab. Put down your phone.

Choose a page, rather than a target.

A good reading session can be ten minutes long.

Use the arrow keys or the buttons below to turn pages.

Keep a thought.
Give the words a moment.

When a sentence stays with you, pause.

You do not need to finish a chapter to find an idea.

Bookmark this page with the bookmark button.

Your place and bookmarks stay on this device.

Come back often.
Leave the book open in your n

A little reading, repeated, becomes a habit.

There is no score to chase. Just another page.

Add a PDF of your own when you are ready.

Your library is yours. No account required.
